

Greetings In the Name of Our Lord & Savior Jesus Christ!

I pray this letter finds you walking in the abundance of *HIS Grace and Favor!* As I look at my life, I'm grateful for all the Lord has done and is doing and I can honestly say I am earnestly seeking to fulfill His plans for my life.

assist in knocking down some walls to help the people of Asia to continue **building** the **Kingdom of God** and partner with us as we walk through another great ministry door.

Since stepping out in great FAITH in late 2007 to embark upon greater ministry opportunities, the journey has been revealing and rewarding. The Holy Spirit has taught and I have listened; He has tested and I have passed (some I had to take more than once, but thank God for His grace); He has allowed and I have accepted.

Many doors have opened for **Levitical Vessels, Inc.** and prayerfully, you too can

Levitical Vessels has been invited to *SINGAPORE*, a Southeast Asian city state off the southern tip of the Malay Peninsula, to be a part of a worship conference entitled, **WORSHIPER BY DESIGN**, July 27-August 4, 2011. I was in Cincinnati, Ohio for a Worship conference when I received the invitation two weeks ago to come and impart what the Lord has given me as it pertains to worship. I am truly humbled by the invitation and that the Lord believes He can trust me to go into another part of His world and spread the **GOOD NEWS!**

“Cultivating Spirituality and Promoting Musical Excellence”

Many of you know that I have a mobile ministry, **Levitical Vessels, Inc.** which is designed to go into local churches all over the world to assist in the *Building of Music Ministries in Excellence*. I believe the Lord has a word for music ministries within the body that needs to be shouted from the mountaintops and **Levitical Vessels** is a ministry that will encompass what He has said and will teach as He commands. ***There IS a shift taking place throughout the earth!***

Many will not and cannot move forward because their “ears have become dull and their hearts insensitive” (*Isaiah 6:9-11*). My role is to help facilitate opportunities for others to recognize **THAT SOUND** and replenish the earth with **THAT SOUND!** In the music sphere, the sound of worship is being honed into a global chorus of adoration to the One True God, The Creator of All, YES, The Alpha and The Omega! The former practices of being ushered into the presence of God in song, both near and far, are changing and there is a new sound being birthed. Myself and others in covenant with **Levitical Vessels**, have prayed and we are obeying the Lord by asking for your help in mobilizing this next move in Singapore.

If the ministry gifting of **Levitical Vessels** and/or Valerie R. Harris has been a blessing to you, I’m asking you to sow a seed into this ministry to assist with this great ministry opportunity. July 26th is fast approaching and it is my desire to have everything accomplished as soon as possible. For your seed sown into this ministry trip, you will receive a gift from the ministry of **Levitical Vessels** and Valerie R. Harris as our way of saying **THANK YOU** for helping countless others come into a deeper understanding of music ministry. As always **your PRAYERS** are very important to us and we solicit them during this time and also during travel to Singapore and our return home. We ask you to prayerfully consider a decision to partner with us as we continue in the furtherance of **God’s Kingdom** in the earth.

My prayer for you is that you will continue to prosper even as your soul prospers, the peace of God would be within and the *Love of God* flows freely from you to all you come in contact with. May the blessings of our King be upon your life!

Worship HIM,

Valerie R. Harris
